17 ~~2022 and 2023 compared to the enrollment count of the district in October of the immediately preceding fiscal~~
18 ~~year is declared by the legislature to be related to the uncertainty created by covid-19 and qualifies the district~~
19 ~~for additional financial support as described in this subsection (2). The legislature also declares that the state's~~

21 ~~from covid-19~~ When a district experiences an enrollment increase based on the October enrollment count, the
22 district may be eligible for a significant enrollment increase payment in support of the district's general fund as
23 described in this subsection (2).

4 ~~in the current school year in place of the average of the preceding year's October and February enrollment~~
5 ~~counts minus the absorption factor; and~~

6 (ii) 80% of the district's total per-ANB entitlement for that fiscal year.

7 ~~(c) (i) The total amount of the additional financial support for a district must be reduced by 10% of the~~

14 ~~subsection (2)(c) as an expense eligible for reimbursement under catalog of federal domestic assistance~~
15 ~~number 84.425D.~~

16 ~~(d) The only increases in financial support resulting from increased enrollment are the increases~~
17 ~~described in this subsection (2). The superintendent of public instruction shall allocate the additional financial~~

19 ~~necessary, from the BASE aid appropriation in House Bill No. 2.~~

20 (c) (i) The superintendent of public instruction shall notify a district of the district's eligibility for a
21 significant enrollment increase payment and the amount by December 15.

26 chapter 9, part 1. The trustees shall provide a copy of the budget amendment to the superintendent of public
27 instruction in a manner determined by the superintendent of public instruction.

28 (iii) On receiving a copy of the budget amendment, the superintendent of public instruction shall

 2 with the remaining direct state aid payments for that fiscal year pursuant to 20-9-344.

3 ~~(e)(d)~~ A district receiving additional financial support under this subsection (2) shall deposit the
 4 money in the district's ~~miscellaneous programs general~~ fund and use it to address costs associated with the

6 (e) For the purposes of this subsection (2), "absorption factor" means an ANB amount rounded to
 7 the nearest whole number equal to the sum of 5 ANB plus 3% of the district's budget limit ANB for that fiscal
 8 year. ~~(Terminates June 30, 2023—sec. 11, Ch. 551, L. 2021.)~~

9 **20-9-166. ~~(Effective July 1, 2023) State financial aid for budget amendments.~~** Whenever a final
 10 budget amendment has been adopted for the general fund to finance the cost of an amendment resulting from
 11 increased enrollment, the trustees may apply to the superintendent of public instruction for an increased
 12 payment from the state for direct state aid. Whenever a final budget amendment has been adopted for the
 13 transportation fund, the trustees may apply to the superintendent of public instruction for an increased payment
 14 for state transportation reimbursement. The superintendent of public instruction shall adopt rules for the
 15 application. The superintendent of public instruction shall approve or disapprove each application for increased
