A BILL

To enact sections 3902.63 and 5164.13 of the 1
Revised Code to require health benefit plan and 2
Medicaid program coverage of biomarker testing. 3

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3902.63 and 5164.13 of the 4
Revised Code be enacted to read as follows: 5

Sec. 3902.63. (A) As used in this section, "biomarker," 6
"biomarker testing," "consensus statements," and "nationally 7
recognized clinical practice guidelines" all have the same 8
meanings as in section 5164.13 of the Revised Code. 9

(B) On and after the effective date of this section, and 10
notwithstanding section 3901.71 of the Revised Code, a health 11
benefit plan issued, renewed, or modified in this state shall 12
cover biomarker testing, subject to division (C) of this 13
section, for any of the following purposes: 14

(1) Diagnosis; 15

(2) Treatment and appropriate management of a disease or 16

condition; 17

(3) Ongoing monitoring of a disease or condition. 18

(C) A health benefit plan shall cover biomarker testing 19
for the purposes included in division (B) of this section when 20
the test is supported by medical and scientific evidence, 21
including but not limited to any of the following: 22

(1) Labeled indications for a United States food and drug 23
administration approved or cleared test; 24

(2) Indicated tests for a drug approved by the United 25
States food and drug administration; 26

(3) Warnings and precautions for United States food and 27
drug administration approved drug labels; 28

(4) National coverage determinations made by the United 29
States centers for medicare and medicaid services; 30

(5) Medicare administrative contractor local coverage 31
determinations; 32

(6) Nationally recognized clinical practice guidelines; 33

(7) Consensus statements. 34

(D) A health plan issuer shall ensure coverage as required 35
in division (B) of this section in a manner that limits 36
disruptions in care, including the need for multiple biopsies or 37
biospecimen samples. 38

(E) Any appeal of a biomarker testing coverage 39
determination shall be handled in accordance with the health 40
plan issuer's appeal policy and any other relevant provision of 41
law, including section 1751.82 or Chapter 3922. of the Revised 42
Code. The appeal process shall be made readily accessible to all 43

participating providers and recipients in writing and online.

Sec. 5164.13. (A) As used in this section:

(1) "Biomarker" means a characteristic that is objectively
measured and evaluated as an indicator of normal biological
processes, pathogenic processes, or pharmacologic responses to
specific therapeutic intervention, including known gene-drug
interactions for drugs being considered for use or already
available for use. Biomarkers include, but are not limited to,
gene mutations, characteristics of genes, or protein expression.

(2) "Biomarker testing" means the analysis of tissue,
blood, or another biospecimen for the presence of a biomarker,
and includes, but is not limited to, single-analyte tests,
multiplex panel tests, protein expression, and whole exome,
whole genome, and whole transcriptome sequencing.

(3) "Consensus statements" are statements based on the
best available evidence in specific clinical circumstances, are
developed by an independent, multidisciplinary panel of experts
utilizing a transparent methodology and reporting structure and
with a conflict of interest policy, and are intended to optimize
clinical care outcomes.

(4) "Nationally recognized clinical practice guidelines"
are evidence-based clinical practice guidelines establishing
standards of care informed by a systematic review and assessment
of benefits and risks of alternative care options and include
recommendations intended to optimize patient care, developed by
independent organizations or medical professional societies
utilizing a transparent methodology and reporting structure and
with a conflict of interest policy.

(B) The medicaid program shall cover biomarker testing,
