26 to a reasonable degree of medical certainty, based on relevant objective medical
27 evidence, and the accidental compensable injury must be the major contributing cause

 10 cause of the subsequent injury.

11 (d) If an injury arising out of and in the course of employment aggravates or
 12 combines with a preexisting disease or condition to cause or prolong a condition,
 13 disability, or the need for treatment, the employer shall pay compensation or benefits
 14 required under this chapter to the extent that the injury arising out of and in the course
 15 of employment is and remains the major contributing cause of the disability or need
 16 for treatment.

17 (e) To be considered a major contributing cause under this chapter, the
 18 compensable injury must be more than 50 percent responsible for the injury as
 19 compared to all other causes combined for which treatment or benefits are sought and
 20 may be demonstrated only by objective medical evidence.

21 * **Sec. 21.** AS 23.30.015(b) is amended to read:

 23 by the **office of administrative hearings** [BOARD] operates as an assignment to the
 24 employer of all rights of the person entitled to compensation and the personal

(2) the employer shall pay any excess to the person entitled to compensation or to the representative of that person.

* **Sec. 23.** AS 23.30.030(6) is amended to read:

(6) All claims for compensation, death benefits, physician's fees, nurse's charges, hospital services, hospital supplies, medicines, prosthetic devices, transportation charges to the nearest point where adequate medical facilities are available, and burial expenses may be made directly against either the employer or the insurer, or both, and the order or award of the **office of administrative hearings** [BOARD] may be made against either the employer or the insurer or both.

* **Sec. 24.** AS 23.30.040(a) is amended to read:

(a) There is created a second injury fund, administered by the commissioner. Money in the second injury fund may only be paid for the benefit of those persons entitled to payment of benefits from the second injury fund under this chapter. 15 impairment rating equal to or greater than five percent, and the employee's attending
16 physician or employer independent physician has determined that the employee will
17 be permanently incapable of returning to the employee's occupation at the time of
18 injury upon review of a job description prepared in accordance with the most recent

7 earned at the time of injury.

8 (d) If an offer of suitable work cannot be timely made, the employer or claims
9 adjuster shall issue a voucher, on a form prescribed by the board, within 14 days after
10 expiration of the 90-day deadline for making an offer of suitable alternative
11 employment under (c) of this section.

12 (e) An employee may receive a reemployment voucher after the employee
13 attains medical stability, receives a permanent partial impairment rating equal to or
14 greater than five percent from the employee's attending physician or employer's
15 independent physician, and the employee's attending physician or employer's
16 independent physician determines that the employee is permanently incapable of
17 returning to the employee's occupation at the time of injury as determined under (c) of
18 this section, based on the following amounts:

19 (1) \$18,000 if the permanent partial impairment rating is five percent
20 or more but less than 15 percent;

4 request and without need for itemized documentation or accounting. An amount
5 greater than \$1,000 must be agreed upon by the parties. The employee will not be
6 entitled to a voucher payment for transportation, travel expenses, telephone or Internet
7 access, clothing, uniforms, or other incidental expenses.

8 (h) A voucher under this section expires two years after the date the voucher is
9 furnished to the employee or five years after the date of injury. The employee will not
10 be entitled to payment or reimbursement of any expenses that have not been incurred
11 and submitted with appropriate documentation to the employer after the reemployment
12 voucher expiration date. If the employee requests, in writing on a form prescribed by
13 the board, assistance in helping the employee identify or develop a plan, the employer
14 or claims adjuster shall, within 30 days, provide the employee with a vocational
15 rehabilitation specialist of the employer's or claims adjuster's choice to provide
16 vocational rehabilitation counseling to the employee. The vocational rehabilitation
17 specialist may not be paid more than 15 percent of the voucher amount to provide
18 counseling to the employee and must be paid by the employer in addition to the
19 reemployment voucher amount under (e) of this section. The employee shall cooperate
20 and stay in contact with the vocational rehabilitation specialist on a full-time basis, as
21 an extension of time of the deadline under (h) of this section is not allowed. The
22 vocational rehabilitation specialist shall meet with the employee and perform the work
23 necessary to assist the employee in returning to work or retraining counseling within
24 30 days of assignment. It is not the duty of the vocational rehabilitation specialist to
25 prepare a formal vocational rehabilitation plan or to secure employment for the
26 employee.

27 (i) The voucher amounts under (e) of this section may not be paid to the
28 employee, except as provided under (f) of this section, and may not be calculated into
29 any settlement figures as part of any compromise and release.

30 (j) An employer may not be liable for compensation for injuries incurred by
31 the employee while using a voucher issued under this section.

1 (k) The employee may not be entitled to any further remuneration, wage
 2 replacement, or other indemnity benefit while undergoing retraining, other than the
 3 lump-sum payment of permanent partial impairment under AS 23.30.190.

4 (l) The employer or claims adjuster may select a vocational rehabilitation
 5 specialist to prepare job descriptions under this section. Before using the job
 6 descriptions under (c) of this section, the vocational rehabilitation specialist shall
 7 submit the job descriptions chosen for the employee for the employee's agreement to
 8 the employee. If the employee does not agree with the job descriptions chosen for use
 9 under (c) of this section, the employee shall file a request for review on a form
 10 prescribed by the board to the administrator within seven days after receiving the job
 11 descriptions. The administrator shall review, and issue an order either approving or
 12 disapproving, the descriptions chosen for use under (c) of this section within 10 days
 13 and, in the order, state which job descriptions are appropriate according to the most
 14 recent version of the United States Department of Labor's "Selected Characteristics of
 15 Occupations Defined in the Revised Dictionary of Occupational Titles." If the
 16 employee or the administrator fails to meet the deadlines under this subsection, the job
 17 descriptions chosen by the vocational rehabilitation specialist will be considered
 18 appropriate. If a dispute arises regarding the job descriptions under (c) of this section,
 19 the 90-day deadline under (c) of this section shall be tolled until the deadlines under
 20 this subsection have been exhausted.

21 (m) An employee may not receive permanent total disability benefits under
 22 AS 23.30.180 if the employee

23 (1) rejects or fails to accept, in the form and manner prescribed by the
 24 board, suitable alternative employment under (c) of this section; or

25 (2) qualifies for a voucher under this section and fails to use the
 26 voucher.

27 (n) In this section,

28 (1) "administrator" means the reemployment benefits administrator
 29 under (a) of this section;

30 (2) "rehabilitation specialist" means a person who is a certified
 31 vocational rehabilitation specialist, a certified rehabilitation counselor, or a person

1 who has equivalent or better qualifications as determined under regulations adopted by
2 the department.

3 * **Sec. 27.** AS 23.30.070(f) is amended to read:

4 (f) An employer who fails or refuses to send a report required of the employer
5 by this section or who fails or refuses to send the report required by (a) of this section
6 within the time required shall, if so required by the **office of administrative hearings**
7 [BOARD], pay the employee or the legal representative of the employee or other
8 person entitled to compensation by reason of the employee's injury or death an
9 additional award equal to 20 percent of the amounts that were unpaid when due. The
10 award shall be against either the employer or the insurance carrier, or both.

11 * **Sec. 28.** AS 23.30.095(a) is amended to read:

12 (a) The employer shall furnish medical, surgical, and other attendance or
13 treatment, nurse and hospital service, medicine, crutches, and apparatus for the **injury**
14 **in accordance with evidence-based treatment guidelines based on the most recent**
15 **version of the Official Disability Guidelines published by the Work Loss Data**
16 **Institute. If medical treatment is recommended after two years from the date of**
17 **injury to the employee, the employee may not be afforded the presumption of**
18 **compensability under AS 23.30.120(a), but** [PERIOD WHICH THE NATURE OF
19 THE INJURY OR THE PROCESS OF RECOVERY REQUIRES, NOT
20 EXCEEDING TWO YEARS FROM AND AFTER THE DATE OF INJURY TO
21 THE EMPLOYEE. HOWEVER, IF THE CONDITION REQUIRING THE
22 TREATMENT, APPARATUS, OR MEDICINE IS A LATENT ONE, THE TWO-
23 YEAR PERIOD RUNS FROM THE TIME THE EMPLOYEE HAS KNOWLEDGE
24 OF THE NATURE OF THE EMPLOYEE'S DISABILITY AND ITS
25 RELATIONSHIP TO THE EMPLOYMENT AND AFTER DISABLEMENT. IT
26 SHALL BE ADDITIONALLY PROVIDED THAT, IF CONTINUED TREATMENT
27 OR CARE OR BOTH BEYOND THE TWO-YEAR PERIOD IS INDICATED,] the
28 injured employee has the right of review by the **office of administrative hearings**
29 [BOARD]. The **office of administrative hearings** [BOARD] may authorize
30 continued treatment or care or both as the process of recovery may require, **for up to**
31 **an additional two years upon clear and convincing evidence, that the continued**

1 treatment or care is necessary. When medical care is required, the injured employee
 2 may designate a licensed physician to provide all medical and related benefits. Any
 3 time after acceptance of liability by an employer or insurer, the employer or
 4 insurer may designate a different attending physician. Designation by the
 5 employer or insurer of an attending physician does not constitute the employer's
 6 or insurer's right to an employer independent medical examination under (e) of
 7 this section. The employee may not make more than one change in the employee's
 8 choice of attending physician without the written consent of the employer. Referral to
 9 a specialist by the employee's attending physician is not considered a change in
 10 physicians, but a referral to a specialist by the employee's attending physician
 11 within the same specialty is considered a change in physician. Upon procuring the
 12 services of a physician, the injured employee shall give proper notification of the
 13 selection to the employer within a reasonable time after first being treated. Notice of a
 14 change in the attending physician shall be given before the change. After expiration
 15 of an additional two years for continued treatment or care under this subsection,
 16 no further medical treatment may be authorized except for

17 (1) prosthetic devices, braces, and supports;

18 (2) non-narcotic prescription medications;

19 (3) narcotic prescription medications necessary to allow the
 20 employee to continue to work or participate in vocational rehabilitation;

21 (4) services necessary to monitor the status, replacement, or repair
 22 of prosthetic devices, braces, and supports or to prescribe prescription
 23 medications under (2) or (3) of this subsection; and

24 (5) life-preserving modalities similar to insulin therapy, dialysis,
 25 and transfusions, if related to the claimed injury or exposure.

26 * Sec. 29. AS 23.30.095(c) is amended to read:

27 (c) A claim for medical or surgical treatment, or treatment requiring
 28 continuing and multiple treatments of a similar nature, is not valid and enforceable
 29 against the employer unless, within 14 days following treatment, the physician or
 30 health care provider giving the treatment or the employee receiving it furnishes to the
 31 employer and the office of administrative hearings [BOARD] notice of the injury

1 and treatment, preferably on a form prescribed by the board. The **office of**
 2 **administrative hearings** [BOARD] shall, however, excuse the failure to furnish
 3 notice within 14 days when it finds it to be in the interest of justice to do so, and it
 4 may, upon application by a party in interest, make an award for the reasonable value
 5 of the medical or surgical treatment so obtained by the employee. When a claim is
 6 made for a course of treatment requiring continuing and multiple treatments of a
 7 similar nature, in addition to the notice, the physician or health care provider shall
 8 furnish a written treatment plan if the course of treatment will require more frequent
 9 outpatient visits than the standard treatment frequency for the nature and degree of the
 10 injury and the type of treatments. The treatment plan shall be furnished to the
 11 employee and the employer within 14 days after treatment begins. The treatment plan
 12 must include objectives, modalities, frequency of treatments, and reasons for the
 13 frequency of treatments. If the treatment plan is not furnished as required under this
 14 subsection, neither the employer nor the employee may be required to pay for
 15 treatments [THAT EXCEED THE FREQUENCY STANDARD. THE BOARD
 16 SHALL ADOPT REGULATIONS ESTABLISHING STANDARDS FOR
 17 FREQUENCY OF TREATMENT].

18 * **Sec. 30.** AS 23.30.095(d) is amended to read:

19 (d) If, at any time during the period the employee unreasonably refuses to
 20 submit to medical or surgical treatment **or appropriate diagnostic tests**, the **office of**
 21 **administrative hearings** [BOARD] may by order suspend the payment of further
 22 compensation while the refusal continues, and no compensation may be paid at any
 23 time during the period of suspension, unless the circumstances justified the refusal.

24 * **Sec. 31.** AS 23.30.095(e) is amended to read:

25 (e) The employee shall, after an injury, at reasonable times during the
 26 continuance of the disability, if requested by the employer or when ordered by the
 27 **office of administrative hearings** [BOARD], submit to an examination by a
 28 physician, [OR] surgeon, **or mental health provider** of the employer's choice
 29 authorized to practice medicine under the laws of the jurisdiction in which the
 30 examination occurs, furnished and paid for by the employer. The employer may not
 31 make more than one change in the employer's choice of a physician or surgeon

without the written consent of the employee. Referral to a specialist by the employer's physician is not considered a change in physicians. An examination requested by the employer not less than 14 days after injury, and every 60 days thereafter, shall be presumed to be reasonable, and the employee shall submit to the examination without further request or order by the office of administrative hearings [BOARD]. Unless medically appropriate, the physician shall use existing diagnostic data to complete the examination. Facts relative to the injury or claim communicated to or otherwise learned by a physician or surgeon who may have attended or examined the employee, or who may have been present at an examination are not privileged, either in the hearings provided for in this chapter or an action to recover damages against an employer who is subject to the compensation provisions of this chapter. If an employee refuses to submit to an examination provided for in this section, the employee's rights to compensation shall be suspended until the obstruction or refusal ceases, and the employee's compensation during the period of suspension may, in the discretion of the office of administrative hearings [BOARD] or the court determining an action brought for the recovery of damages under this chapter, be forfeited. The office of administrative hearings [BOARD] in any case of death may require an autopsy at the expense of the party requesting the autopsy. An autopsy may not be held without notice first being given to the widow or widower or next of kin if they reside in the state or their whereabouts can be reasonably ascertained, of the time and place of the autopsy and reasonable time and opportunity given the widow or widower or next of kin to have a representative present to witness the autopsy. If adequate notice is not given, the findings from the autopsy may be suppressed on motion made to the office of administrative hearings [BOARD] or to the superior court, as the case may be.

* **Sec. 32.** AS 23.30.095(h) is amended to read:

(h) Upon the filing with the office of administrative hearings [DIVISION] by a party in interest of a claim or other pleading, all parties to the proceeding shall file with the office of administrative hearings, [MUST IMMEDIATELY, OR IN ANY EVENT] within 30 [FIVE] days after service of the pleading, [SEND TO THE DIVISION] the original signed reports of all physicians relating to the proceedings

1 that they may have in their possession or under their control, and copies of the reports
 2 shall be served by the party immediately on any adverse party. There is a continuing
 3 duty on all parties to file and serve all the reports during the pendency of the
 4 proceeding.

5 * **Sec. 33.** AS 23.30.095(j) is amended to read:

6 (j) The commissioner shall appoint a medical services review committee to
 7 assist and advise the department and the **office of administrative hearings** [BOARD]
 8 in matters involving the appropriateness, necessity, and cost of medical and related
 9 services provided under this chapter. The medical services review committee shall
 10 consist of nine members to be appointed by the commissioner as follows:

11 (1) one member who is a member of the Alaska State Medical
 12 Association;

13 (2) one member who is a member of the Alaska Chiropractic Society;

14 (3) one member who is a member of the Alaska State Hospital and
 15 Nursing Home Association;

16 (4) one member who is a health care provider, as defined in
 17 AS 09.55.560;

18 (5) four public members who are not within the definition of "health
 19 care provider" in AS 09.55.560; and

20 (6) one member who is the designee of the commissioner and who
 21 shall serve as chair.

22 * **Sec. 34.** AS 23.30.095(o) is amended to read:

23 (o) Notwithstanding (a) of this section, an employer is not liable for palliative
 24 care after the date of medical stability unless the palliative care is **consistent with the**
 25 **evidence-based treatment guidelines established in (a) of this section**
 26 [REASONABLE] and necessary [(1)] to enable the employee to continue in the
 27 employee's employment at the time of treatment [, (2) TO ENABLE THE
 28 EMPLOYEE TO CONTINUE TO PARTICIPATE IN AN APPROVED
 29 REEMPLOYMENT PLAN, OR (3) TO RELIEVE CHRONIC DEBILITATING
 30 PAIN]. A claim for palliative care is not valid and enforceable unless it is
 31 accompanied by a certification of the attending physician that the palliative care meets

the requirements of this subsection. A claim for palliative care is subject to the requirements of (c) - (n) of this section. [IF A CLAIM FOR PALLIATIVE CARE IS CONTROVERTED BY THE EMPLOYER, THE BOARD MAY REQUIRE AN EVALUATION UNDER (k) OF THIS SECTION REGARDING THE DISPUTED PALLIATIVE CARE.] A claim for palliative care may be heard by the office of administrative hearings [BOARD] under AS 23.30.110.

* **Sec. 35.** AS 23.30.095 is amended by adding new subsections to read:

(p) An entity that provides durable medical equipment, prosthetics, orthotics, or supplies to an employee must be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services. If a medical provider provides durable medical equipment, prosthetics, orthotics, or supplies ancillary to the employee's visit, reimbursement or payment by the employer or insurer may not exceed 10 percent of the cost of the durable medical equipment, prosthetics, orthotics, or supplies.

(q) If prescription drugs are dispensed by a medical provider as part of the medical treatment provided to an employee, the employer or insurer may only be required to pay the lesser of the

(1) reimbursement amount specified under the schedule of fees adopted by the director;

(2) reimbursement amount for prescription drugs obtained by mail order; or

(3) cost of the prescription if obtained at a pharmacy.

* **Sec. 36.** AS 23.30 is amended by adding a new section to read:

Sec. 23.30.096. Controlled substances. (a) Within two business days after prescribing or dispensing a supply of 30 or more days of a controlled substance described in AS 17.30.200(a) to an employee for a compensable injury, a physician shall submit a report to the Board of Pharmacy under AS 17.30.200 and request the employee's prescription information that is compiled and maintained under AS 17.30.200. Notwithstanding AS 17.30.200(d), the physician shall report the results to the employer and office of administrative hearings as soon as practicable, but not later than 30 days after the date of the inquiry. Thereafter, the employer or office of

1 administrative hearings may, not more than once every two months, request that the
2 physician make additional inquiries to the Board of Pharmacy under AS 17.30.200.

3 (b) A physician shall include in a report required under (a) of this section

4 (1) the employee's prescription information, including the

5 (A) off-label use of a narcotic, opium-based controlled
6 substance, or other controlled substance described in AS 17.30.200(a)
7 prescribed to the employee;

8 (B) use of a narcotic or opium-based controlled substance or
9 the prescription of a combination of narcotics or opium-based controlled
10 substances at or exceeding a 120 milligram morphine equivalent dose a day;
11 and

12 (C) prescription of a long-acting or controlled-release opioid
13 for acute pain;

14 (2) the justification for the use of the controlled substance and a
15 treatment plan that includes a description of measures that the physician will
16 implement to monitor and prevent the development of abuse, dependence, addiction,
17 or diversion by the employee; and

18 (3) a medication agreement, a plan for subsequent follow-up visits,
19 random drug testing, and documentation that the medication regime is providing relief
20 that is demonstrated by clinically meaningful improvement in function.

21 (c) If a drug test under (b)(3) of this section reveals inconsistent results, the
22 physician shall, within five business days after receiving the inconsistent results,
23 provide a written report to the employer and office of administrative hearings setting
24 out a treatment plan to address the inconsistent drug test results.

25 (d) If the result of an inquiry to the Board of Pharmacy under (a) of this
26 section reveals that the employee is receiving a controlled substance described in
27 AS 17.30.200(a) from another undisclosed health care provider, the physician shall,
28 within five business days after receiving the results, on a form prescribed by the board,
29 report the results to the employer.

30 (e) If an employee resides outside the state and receives treatment from an
31 out-of-state physician for a compensable injury, the employer is not liable for

1 providing prescription medications that require reporting under this section if the out-
 2 of-state physician fails to comply with this section. If the other state has a controlled
 3 substances monitoring program, the out-of-state physician shall submit an inquiry to
 4 the out-of-state database and report to the employer and office of administrative
 5 hearings as prescribed under this section.

6 (f) This section does not apply to prescription medications administered to the
 7 employee while the employee is receiving inpatient hospital treatment.

8 (g) The employer or office of administrative hearings may require a physician
 9 to comply with this section, notwithstanding the existence of a prior award addressing
 10 medical maintenance benefits for prescription medications. An insurer or employer is
 11 not liable for bad faith or unfair claims processing under AS 21.36 for an act taken in
 12 compliance with or consistent with this section.

13 (h) If a physician fails to comply with this section,

14 (1) the employer is not liable for payment of the physician's services
 15 until the physician complies with this section; and

16 (2) the employer may request a change of physician after making a
 17 written request to the physician to comply with this section and identifying the area of
 18 noncompliance; if a change of physician is ordered and the order becomes final, the
 19 employee shall select a physician whose practice includes pain management and who
 20 agrees to comply with this section.

21 (i) In this section,

22 (1) "clinically meaningful improvement in function" means

23 (A) a clinically documented improvement in range of motion;

24 (B) an objective increase in the performance of activities of
 25 daily living; or

26 (C) a return to gainful employment.

27 (2) "inconsistent results" means

28 (A) the employee's reported medications or the parent drugs or
 29 metabolites are not detected; or

30 (B) controlled substances are detected that are not reported by
 31 the employee;

(3) "off-label use" means use of a prescription medication by a physician to treat a condition other than the use for which the drug was approved by the United States Food and Drug Administration.

* **Sec. 37.** AS 23.30.097(d) is amended to read:

(d) **Payment for medical treatment under this chapter, excluding prescription charges or transportation for medical treatment, is not due immediately or on demand.** An employer shall pay an employee's bills for medical treatment under this chapter, excluding prescription charges or transportation for medical treatment, within 30 days after the date that the employer receives the provider's bill **and** [OR] a completed report as required by AS 23.30.095(c), **regardless of whether the employer has earlier notice that medical treatment has been prescribed for the employee** [WHICHEVER IS LATER].

* **Sec. 38.** AS 23.30.097(g) is amended to read:

(g) Unless the employer controverts a charge, the employer shall reimburse an employee's prescription charges under this chapter within 30 days after the employer receives **the employee's request for reimbursement**, the health care provider's completed report and an itemization of the prescription charges for the employee. Unless the employer controverts a charge, an employer shall reimburse any transportation expenses for medical treatment under this chapter within 30 days after the employer receives the health care provider's completed report and an itemization of the dates, destination, and transportation expenses for each date of travel for medical treatment. If the employer does not plan to make or does not make payment or reimbursement in full as required by this subsection, the employer shall notify the employee and the employee's health care provider in writing that payment will not be made timely and the reason for the nonpayment. The notification must be provided not later than the date that the payment is due under this subsection.

* **Sec. 39.** AS 23.30.100(d) is amended to read:

(d) Failure to give notice does not bar a claim under this chapter

(1) if the employer, an agent of the employer in charge of the business in the place where the injury occurred, or the carrier had knowledge of the injury or death and the **office of administrative hearings** [BOARD] determines that the

1 employer or carrier has not been prejudiced by failure to give notice;

2 (2) if the office of administrative hearings [BOARD] excuses the
3 failure on the ground that for some satisfactory reason notice could not be given;

4 (3) unless objection to the failure is raised before the office of
5 administrative hearings [BOARD] at the first hearing of a claim for compensation in
6 respect to the injury or death.

7 * **Sec. 40.** AS 23.30.105(a) is amended to read:

8 (a) The right to compensation for benefits [DISABILITY] under this chapter
9 is barred unless a claim for it is filed within two years after the employee has
10 knowledge of the nature of the employee's disability or need for medical treatment
11 and its relation to the employment [AND AFTER DISABLEMENT]. However, the
12 maximum time for filing the claim in any event other than arising out of an
13 occupational disease shall be four years from the date of injury, and the right to
14 compensation for death is barred unless a claim therefor is filed within one year after
15 the death, except that, if payment of compensation has been made without an award on
16 account of the injury or death, a claim may be filed within two years after the date of
17 the last payment of benefits under AS 23.30.041, 23.30.180, 23.30.185, 23.30.190,
18 23.30.200, or 23.30.215. In [IT IS ADDITIONALLY PROVIDED THAT, IN] the
19 case of latent defects pertinent to and causing compensable disability, the injured
20 employee has full right to claim as shall be determined by the office of administrative
21 hearings [BOARD], time limitations notwithstanding.

22 * **Sec. 41.** AS 23.30.107(b) is amended to read:

23 (b) Medical or rehabilitation records, and the employee's name, address, social
24 security number, electronic mail address, and telephone number contained on any
25 record, in an employee's file maintained by the division or held by the board, the
26 office of administrative hearings, or the commission are not public records subject to
27 public inspection and copying under AS 40.25.100 - 40.25.295. This subsection does
28 not prohibit

29 (1) the reemployment benefits administrator, the division, the board,
30 the office of administrative hearings, the commission, or the department from
31 releasing medical or rehabilitation records in an employee's file, without the

1 employee's consent, to a [PHYSICIAN PROVIDING MEDICAL SERVICES
2 UNDER AS 23.30.095(k) OR 23.30.110(g), A] party to a claim filed by the employee,
3 or a governmental agency; or

4 (2) the quoting or discussing of medical or rehabilitation records
5 contained in an employee's file during a hearing on a claim for compensation [OR IN
6 A DECISION OR ORDER OF THE BOARD OR COMMISSION].

7 * **Sec. 42.** AS 23.30.108 is amended to read:

8 **Sec. 23.30.108. Prehearings on discovery matters; objections to requests**
9 **for release of information; sanctions for noncompliance.** (a) If an employee objects
10 to a request for written authority under AS 23.30.107, the employee must file a
11 petition with the office of administrative hearings [BOARD] seeking a protective
12 order within 14 days after service of the request. If the employee fails to file a petition
13 and fails to deliver the written authority as required by AS 23.30.107 within 14 days
14 after service of the request, the employee's rights to benefits under this chapter are
15 suspended until the written authority is delivered.

16 (b) If a petition seeking a protective order is filed, the board shall notify the
17 office of administrative hearings, and the office of administrative hearings shall
18 set a prehearing within 21 days after the filing date of the petition. At a prehearing
19 conducted by the office of administrative hearings, the office of administrative
20 hearings [THE BOARD'S DESIGNEE, THE BOARD'S DESIGNEE] has the
21 authority to resolve disputes concerning the written authority. If the office of
22 administrative hearings [BOARD OR THE BOARD'S DESIGNEE] orders delivery
23 of the written authority and if the employee refuses to deliver it within 10 days after
24 being ordered to do so, the employee's rights to benefits under this chapter are
25 suspended until the written authority is delivered. During any period of suspension
26 under this subsection, the employee's benefits under this chapter are forfeited unless
27 the board, or the court determining an action brought for the recovery of damages
28 under this chapter, determines that good cause existed for the refusal to provide the
29 written authority.

30 (c) At a prehearing on discovery matters conducted by the office of
31 administrative hearings, the office of administrative hearings [BOARD'S

DESIGNEE, THE BOARD'S DESIGNEE] shall direct parties to sign releases or produce documents, or both, if the parties present releases or documents that are likely to lead to admissible evidence relative to an employee's injury. If a party refuses to comply with an order by the office of administrative hearings [BOARD'S DESIGNEE OR THE BOARD] concerning discovery matters, the office of administrative hearings [BOARD] may impose appropriate sanctions in addition to any forfeiture of benefits, including dismissing the party's claim, petition, or defense. [IF A DISCOVERY DISPUTE COMES BEFORE THE BOARD FOR REVIEW OF A DETERMINATION BY THE BOARD'S DESIGNEE, THE BOARD MAY NOT CONSIDER ANY EVIDENCE OR ARGUMENT THAT WAS NOT PRESENTED TO THE BOARD'S DESIGNEE, BUT SHALL DETERMINE THE ISSUE SOLELY ON THE BASIS OF THE WRITTEN RECORD.] The decision by the office of administrative hearings [BOARD] on a discovery dispute shall be made within 30 days. [THE BOARD SHALL UPHOLD THE DESIGNEE'S DECISION EXCEPT WHEN THE BOARD'S DESIGNEE'S DETERMINATION IS AN ABUSE OF DISCRETION.]

(d) If the employee files a petition seeking a protective order to recover medical and rehabilitation information that has been provided but is not related to the employee's injury, and the office of administrative hearings [BOARD OR THE BOARD'S DESIGNEE] grants the protective order, the office of administrative hearings [BOARD OR THE BOARD'S DESIGNEE GRANTING THE PROTECTIVE ORDER] shall direct [THE DIVISION, THE BOARD, THE COMMISSION, AND] the parties to return to the employee, as soon as practicable following the issuance of the protective order, all medical and rehabilitation information, including copies, in their possession that is unrelated to the employee's injury under the protective order.

(e) If the office of administrative hearings [BOARD OR THE BOARD'S DESIGNEE] limits the medical or rehabilitation information that may be used by the parties to a claim, either by an order on the record or by issuing a written order, the division, [THE BOARD,] the commission, and a party to the claim may request and an employee shall provide or authorize the production of medical or rehabilitation

information only to the extent of the limitations of the order. If information has been produced that is outside of the limits designated in the order, the office of administrative hearings [BOARD OR THE BOARD'S DESIGNEE] shall direct the party in possession of the information to return the information to the employee as soon as practicable following the issuance of the order.

* **Sec. 43.** AS 23.30.110(a) is amended to read:

(a) Subject to the provisions of AS 23.30.105, a claim for benefits or a petition for other relief shall [COMPENSATION MAY] be filed with the office of administrative hearings [BOARD] in accordance with [ITS] regulations adopted by the board at any time after the first seven days of disability following an injury, or at any time after death. The parties shall make requests with the office of administrative hearings on all matters, except those under AS 23.30.012 and 23.30.247 [, AND THE BOARD MAY HEAR AND DETERMINE ALL QUESTIONS IN RESPECT TO THE CLAIM].

* **Sec. 44.** AS 23.30.110(b) is amended to read:

(b) Within 10 days after a claim is filed, the office of administrative hearings [BOARD], in accordance with its regulations, shall notify the employer and any other person, other than the claimant, whom the office of administrative hearings [BOARD] considers an interested party that a claim has been filed. The notice may be served personally upon the employer or other person, or sent by registered or electronic mail.

* **Sec. 45.** AS 23.30.110(c) is amended to read:

(c) Before a hearing is scheduled, the party seeking a hearing shall file a request for a hearing together with an affidavit stating that the party has completed necessary discovery, obtained necessary evidence, and is prepared for the hearing. An opposing party shall have 10 days after the hearing request is filed to file a response. If a party opposes the hearing request, the office of administrative hearings [BOARD OR A BOARD DESIGNEE] shall, within 30 days of the filing of the opposition, conduct a prehearing [PRE-HEARING] conference and set a hearing date consistent with affording both parties an opportunity to conduct discovery and adequate time to prepare for the hearing and to schedule witnesses. If opposition is not filed,

a hearing shall be scheduled not [NO] later than 60 days after the receipt of the hearing request. The office of administrative hearings [BOARD] shall give each party at least 10 days' notice of the hearing, either personally or by certified mail. After a hearing has been scheduled, the parties may not stipulate to change the hearing date or to cancel, postpone, or continue the hearing, except for good cause as determined by the office of administrative hearings [BOARD]. After completion of the hearing, the office of administrative hearings [BOARD] shall close the hearing record. If a settlement agreement is reached by the parties less than 14 days before the hearing, the parties shall appear at the time of the scheduled hearing before the office of administrative hearings to state the terms of the settlement agreement. Within 30 days after the hearing record closes, the office of administrative hearings [BOARD] shall file its decision. If the employer controverts a claim on a board-prescribed controversion notice and the employee does not request a hearing within two years following the filing of the controversion notice, the claim is denied.

* **Sec. 46.** AS 23.30.110(d) is amended to read:

(d) At the hearing the claimant and the employer may each present evidence in respect to the claim or petition and may be represented by any person authorized by regulation of the board [IN WRITING] for that purpose.

* **Sec. 47.** AS 23.30.110(e) is amended to read:

(e) The order rejecting the claim or making the award, referred to in this chapter as a compensation order, shall be filed in the office of the board, or office of administrative hearings consistent with this chapter, and a copy of it shall be sent [BY REGISTERED MAIL] to the claimant and [TO THE] employer electronically or by registered mail to [AT] the last known address of each.

* **Sec. 48.** AS 23.30.110(h) is amended to read:

(h) The filing of a hearing request under (c) of this section suspends the running of the two-year time period specified in (c) of this section. However, if the employee subsequently requests a continuance of the hearing and the request is approved by the office of administrative hearings [BOARD], the granting of the continuance renders the request for hearing inoperative, and the two-year time period specified in (c) of this section continues to run again from the date of the [BOARD'S]

notice by the office of administrative hearings to the employee of the [BOARD'S] granting by the office of administrative hearings of the continuance and of its effect. If the employee fails to again request a hearing before the conclusion of the two-year time period in (c) of this section, the claim is denied.

* **Sec. 49.** AS 23.30.115 is amended to read:

Sec. 23.30.115. Attendance and fees of witnesses. (a) A person is not required to attend as a witness in a proceeding before the office of administrative hearings or the board at a place more than 100 miles from the person's place of residence, unless the person's lawful mileage and fee for one day's attendance is first paid or tendered to the person; but the testimony of a witness may be taken by deposition or interrogatories according to the Rules of Civil Procedure.

(b) A witness summoned in a proceeding before the office of administrative hearings or the board or whose deposition is taken shall receive the same fees and mileage as a witness in the superior court.

* **Sec. 50.** AS 23.30.120(a) is amended to read:

(a) In a proceeding for the enforcement of a claim for compensation under this chapter, once the employee has established a preliminary link between employment or employment injury and the resulting condition, disability, or need for medical treatment through objective relevant medical evidence, it is presumed [IN THE ABSENCE OF SUBSTANTIAL EVIDENCE TO THE CONTRARY,] that

- (1) the claim comes within the provisions of this chapter;
- (2) sufficient notice of the claim has been given;
- (3) the injury was not proximately caused by the intoxication of the injured employee or proximately caused by the employee being under the influence of drugs unless the drugs were taken as prescribed by the employee's physician;
- (4) the injury was not occasioned by the wilful intention of the injured employee to injure or kill self or another.

* **Sec. 51.** AS 23.30.120(b) is amended to read:

(b) If delay in giving notice is excused by the office of administrative hearings [BOARD] under AS 23.30.100(d)(2), the burden of proof of the validity of the claim shifts to the employee notwithstanding the provisions of (a) of this section.

1 * **Sec. 52.** AS 23.30.120 is amended by adding new subsections to read:

2 (d) An employee may not establish a preliminary link under (a) of this section
3 solely by disproving other possible causes or explanations for how the injury, disease,
4 resulting condition, disability, or need for medical treatment occurred.

5 (e) After the employee establishes a preliminary link, the presumption of
6 compensability under (a) of this section may be rebutted by presentation of objective
7 relevant medical evidence that it is more likely than not that the compensable injury is
8 not, or is no longer, the major contributing cause of the condition, disability, or need
9 for medical treatment, even if there is no clear alternative explanation or known cause
10 of the compensable injury.

11 (f) Once the presumption has been rebutted under (e) of this section, the
12 employee must prove the claim by clear and convincing objective relevant medical
13 evidence.

14 * **Sec. 53.** AS 23.30.122 is amended to read:

15 **Sec. 23.30.122. Credibility of witnesses. Only the office of administrative**
16 **hearings and the** [THE] board **have the** [HAS THE SOLE] power to determine the
17 credibility of a witness. A finding by **the office of administrative hearings or** the
18 board concerning the weight to be accorded a witness's testimony, including medical
19 testimony and reports, is conclusive even if the evidence is conflicting or susceptible
20 to contrary conclusions. The findings of **the office of administrative hearings and**
21 the board are subject to the same standard of review as a jury's finding in a civil
22 action.

23 * **Sec. 54.** AS 23.30.122 is amended by adding new subsections to read:

24 (b) The office of administrative hearings may not afford a physician's opinion
25 more weight merely because the physician is the employee's treating physician. The
26 office of administrative hearings may not give less weight to an employer's medical
27 evaluator merely because that physician has not seen the employee as frequently as the
28 treating physician. The probative value of an employer's medical evaluator opinion on
29 causation, the extent of disability, impairment, ability to work, or need for medical
30 treatment is evidence to be considered on a footing equal to all other proof in the case.
31 The office of administrative hearings shall consider the following factors in affording

weight to a medical expert's opinion:

(1) whether the medical expert's opinion is based on objective medical evidence that meets the criteria of Rule 702, Federal Rules of Evidence, and all United States Supreme Court case law applicable to that rule;

(2) whether the medical opinion is consistent with the medical record as a whole;

(3) how independent the medical expert's opinion is from inappropriate influences from the employee or employer;

(4) whether the medical expert is board certified in the medical expert's specialty and whether the opinion of the medical expert is within the medical expert's specialty; and

(5) the degree to which the medical expert presents an explanation and relevant evidence to support an opinion, particularly with review of prior medical reports, physical examinations, radiology, or other diagnostic or laboratory tests.

(c) In deciding medical issues on causation, degree of impairment, ability to work, physical capacities, or past and future medical treatment, the office of administrative hearings and the board may not rely on lay testimony. Lay testimony may only be relied on to decide factual disputes that do not involve causation, degree of impairment, ability to work, physical capacities, or past and future medical treatment.

* **Sec. 55.** AS 23.30.125(a) is amended to read:

(a) A compensation order becomes effective when filed with the office of **administrative hearings** [THE BOARD] as provided in AS 23.30.110, and, unless proceedings to reconsider, suspend, or set aside the order are instituted as provided in this chapter, the order becomes final on the 31st day after it is filed.

* **Sec. 56.** AS 23.30.125(b) is amended to read:

(b) Notwithstanding other provisions of law, a decision or order of **the office of administrative hearings or** the board is subject to review by the commission as provided in this chapter.

* **Sec. 57.** AS 23.30.125(c) is amended to read:

(c) If a compensation order is not in accordance with law or fact, the order

may be suspended or set aside, in whole or in part, through proceedings in the commission brought by a party in interest against all other parties to the proceedings before the **office of administrative hearings** [BOARD]. The payment of the amounts required by an award may not be stayed pending a final decision in the proceeding unless, upon application for a stay, the commission, on hearing, after not less than three days' notice to the parties in interest, allows the stay of payment, in whole or in part, where the party filing the application would otherwise suffer irreparable damage. Continuing future periodic compensation payments may not be stayed without a showing by the appellant of irreparable damage and the existence of the probability of the merits of the appeal being decided adversely to the recipient of the compensation payments. The order of the commission allowing a stay must contain a specific finding, based **on** [UPON] evidence submitted to the commission and identified by reference to the evidence, that irreparable damage would result to the party applying for a stay and specifying the nature of the damage.

* **Sec. 58.** AS 23.30.127(a) is amended to read:

(a) A party in interest may appeal a compensation order issued by the board **or the office of administrative hearings** to the commission within 30 days after the compensation order is filed [WITH THE OFFICE OF THE BOARD] under AS 23.30.110. The director may intervene in an appeal. If a party in interest is not represented by counsel and the compensation order concerns an unsettled question of law, the director may file an appeal to obtain a ruling on the question by the commission.

* **Sec. 59.** AS 23.30.127(e) is amended to read:

(e) If a request for reconsideration of a [BOARD] decision **of the board or the office of administrative hearings** was timely filed with the office of **administrative hearings or** the board, the notice of appeal must be filed within 30 days after the reconsideration decision is mailed to the parties or the date the request for reconsideration is considered denied in the absence of any action on the request, whichever is earlier.

* **Sec. 60.** AS 23.30.128(a) is amended to read:

(a) An appeal from a decision of the board **or the office of administrative**

hearings under this chapter, and other proceedings under this section, shall be heard and decided by a three-member panel of the commission. An appeal panel of the commission must include the chair of the commission. The chair of the commission shall assign two members to each appeal, including one commission member classified as representing employees and one commission member classified as representing employers. Acts, decisions, and orders of the commission panel in the appeal or related proceeding shall be considered the acts, decisions, and orders of the full commission. The matter on appeal shall be decided on the record made before the board or the office of administrative hearings, a transcript or recording of the proceedings before the board or the office of administrative hearings, and oral argument and written briefs allowed by the commission. Except as provided in (c) of this section, new or additional evidence may not be received with respect to the appeal.

* **Sec. 61.** AS 23.30.128(b) is amended to read:

(b) The commission may review discretionary actions, findings of fact, and conclusions of law by the board or the office of administrative hearings in hearing, determining, or otherwise acting on a compensation claim or petition. The [BOARD'S] findings of the board or the office of administrative hearings regarding the credibility of testimony of a witness before the board or the office of administrative hearings are binding on the commission. The [BOARD'S] findings of fact of the board or the office of administrative hearings shall be upheld by the commission if supported by substantial evidence in light of the whole record. In reviewing questions of law and procedure, the commission shall exercise its independent judgment.

* **Sec. 62.** AS 23.30.129(a) is amended to read:

(a) Notwithstanding the provisions of AS 44.62.560, orders of the office of administrative hearings and the commission issued under this chapter may not be appealed to the superior court. Consistent with AS 22.05.010(b), final decisions of the commission may be appealed to the supreme court, and other orders may be reviewed by the supreme court as provided by the Alaska Rules of Appellate Procedure.

* **Sec. 63.** AS 23.30.130 is amended to read:

1 **Sec. 23.30.130. Modification of awards.** (a) Upon [ITS OWN INITIATIVE,
 2 OR UPON] the application of any party in interest on the ground of a change in
 3 conditions, including, for the purposes of AS 23.30.175, a change in residence, or
 4 because of a mistake in its determination of a fact, the board or the office of
 5 administrative hearings may, before one year after the date of the last payment of
 6 compensation benefits under AS 23.30.180, 23.30.185, 23.30.190, 23.30.200, or
 7 23.30.215, whether or not a compensation order has been issued, or before one year
 8 after the rejection of a claim, review a compensation case under the procedure
 9 prescribed with [IN] respect to [OF] claims in AS 23.30.110. Under AS 23.30.110, the
 10 board or the office of administrative hearings may issue a new compensation order
 11 that [WHICH] terminates, continues, reinstates, increases, or decreases the
 12 compensation, or award compensation.

13 (b) A new order does not affect compensation previously paid, except that an
 14 award increasing the compensation rate may be made effective from the date of the
 15 injury, and if part of the compensation due or to become due is unpaid, an award
 16 decreasing the compensation rate may be made effective from the date of the injury,
 17 and payment made earlier in excess of the decreased rate shall be deducted from the
 18 unpaid compensation, in the manner the board or the office of administrative
 19 hearings determines.

20 * **Sec. 64.** AS 23.30.135 is amended to read:

21 **Sec. 23.30.135. Procedure before the board and the office of**
 22 **administrative hearings.** (a) In making an investigation or inquiry or conducting a
 23 hearing, the board or the office of administrative hearings is not bound by common
 24 law or statutory rules of evidence or by technical or formal rules of procedure, except
 25 as provided by this chapter. The board or the office of administrative hearings may
 26 make its investigation or inquiry or conduct its hearing in the manner by which it may
 27 best ascertain the rights of the parties. Declarations of a deceased employee
 28 concerning the injury in respect to which the investigation or inquiry is being made or
 29 the hearing conducted shall be received in evidence and are, if corroborated by other
 30 evidence, sufficient to establish the injury.

31 (b) All testimony given during a hearing before the board and the office of

administrative hearings shall be recorded, but need not be transcribed unless further review is initiated. Hearings before the board and the office of administrative hearings shall be open to the public.

* **Sec. 65.** AS 23.30.145 is repealed and reenacted to read:

Sec. 23.30.145. Attorney fees. (a) Fees for legal services rendered with respect to a claim are not valid unless approved by the office of administrative hearings. Except as provided under (b) of this section, attorney fees may not exceed the following percentage of the contested amount of compensation benefits secured as a result of a claim filed by an attorney:

- (1) 25 percent of the settlement amount between the parties;
- (2) 30 percent of the amount awarded by the office of administrative hearings after a hearing or upon appeal to the commission;
- (3) 35 percent of the amount awarded after a successful appeal to the Alaska Supreme Court.

(b) If a written offer to settle an issue pending before the office of administrative hearings is made at least 30 days before a hearing on the claim, for purposes of calculating the amount of attorney fees to be paid under (a) of this section, only the amount of benefits awarded to the employee above the amount specified in the offer to settle may be considered. If multiple issues are pending before the office of administrative hearings, the offer to settle must address each issue and clearly state whether or not the offer on each issue is severable. Any written offer to settle must be kept confidential and not disclosed to the office of administrative hearings until after the final decision on the merits of the case has been decided. After the final decision on the merits of the case has been issued, the parties shall file the offer to settle with the office of administrative hearings so that the office of administrative hearings can award appropriate attorney fees and costs.

(c) Attorney fees and costs may be paid in a lump sum on the present value of the settlement or adjudicated amount.

(d) In this section, "benefits secured" does not include medical benefits awarded three or more years after the date of injury.

* **Sec. 66.** AS 23.30.155(b) is amended to read:

(b) The first installment of compensation becomes due on the 14th day after the employer has knowledge of the injury or death. On this date all compensation then due shall be paid. Subsequent compensation shall be paid in installments, every 14 days, except where the office of administrative hearings [BOARD] determines that payment in installments should be made monthly or at some other period.

* **Sec. 67.** AS 23.30.155(j) is amended to read:

(j) If an employer has made advance payments or overpayments of compensation, the employer is entitled to be reimbursed by withholding up to 20 percent out of each unpaid installment or installments of compensation due. More than 20 percent of unpaid installments of compensation due may be withheld from an employee

(1) when the only benefit remaining is a lump-sum payment of permanent partial impairment benefits; or

(2) upon approval of the office of administrative hearings [ONLY ON APPROVAL OF THE BOARD].

* **Sec. 68.** AS 23.30.155(m) is amended to read:

(m) On or before March 1 of each year, the insurer or adjuster shall file a verified annual report on a form prescribed by the director stating the total amount of all compensation by type, the number of claims received and the percentage controverted, medical and related benefits, vocational rehabilitation expenses, legal fees, including a separate total of fees paid to attorneys and fees paid for the other costs of litigation, and penalties paid on all claims during the preceding calendar year. If the annual report is timely and complete when received by the division and provides accurate information about each category of payments, the director shall review the timeliness of the insurer's or adjuster's reports filed during the preceding year under (c) of this section. If, during the preceding year, the insurer or adjuster filed at least 99 percent of the reports on time, the penalties assessed under (c) of this section shall be waived. If, during the preceding year, the insurer or adjuster filed at least 97 percent of the reports on time, 75 percent of the penalties assessed under (c) of this section shall be waived. If, during the preceding year, the insurer or adjuster filed 95 percent of the reports on time, 50 percent of the penalties assessed under (c) of this section shall be

1 waived. If, during the preceding year, the insurer's or adjuster's reports have not been
 2 filed on time at least 95 percent of the time, none of the penalties assessed under (c) of
 3 this section shall be waived. The penalties that are not waived are due and payable
 4 when the insurer or adjuster receives notification from the director regarding the
 5 timeliness of the reports. If the annual report is not filed by March 1 of each year, the
 6 insurer or adjuster shall pay a civil penalty of \$100 for the first day the annual report is
 7 late and \$10 for each additional day the report is late. [IF THE ANNUAL REPORT IS
 8 INCOMPLETE WHEN FILED, THE INSURER OR ADJUSTER SHALL PAY A
 9 CIVIL PENALTY OF \$1,000.]

10 * **Sec. 69.** AS 23.30.155(o) is amended to read:

11 (o) The director shall promptly notify the division of insurance if the **office of**
 12 **administrative hearings** [BOARD] determines that the employer's insurer has
 13 frivolously or unfairly controverted compensation due under this chapter. After
 14 receiving notice from the director, the division of insurance shall determine if the
 15 insurer has committed an unfair claim settlement practice under AS 21.36.125.

16 * **Sec. 70.** AS 23.30.175(a) is amended to read:

17 (a) The weekly rate of compensation for disability or death may not exceed
 18 the maximum compensation rate, may not be less than 22 percent of the maximum
 19 compensation rate, and initially may not be less than \$110; however, if the **office of**
 20 **administrative hearings** [BOARD] determines that the employee's spendable weekly
 21 wages are less than \$110 a week as computed under AS 23.30.220, or less than 22
 22 percent of the maximum compensation rate a week in the case of an employee who
 23 has furnished documentary proof of the employee's wages, it shall issue an order
 24 adjusting the weekly rate of compensation to a rate equal to the employee's spendable
 25 weekly wages. If the employer can verify that the employee's spendable weekly wages
 26 are less than 22 percent of the maximum compensation rate, the employer may adjust
 27 the weekly rate of compensation to a rate equal to the employee's spendable weekly
 28 wages without an order of the **office of administrative hearings** [BOARD]. If the
 29 employee's spendable weekly wages are greater than 22 percent of the maximum
 30 compensation rate, but 80 percent of the employee's spendable weekly wages is less
 31 than 22 percent of the maximum compensation rate, the employee's weekly rate of

compensation shall be 22 percent of the maximum compensation rate. Prior payments made in excess of the adjusted rate shall be deducted from the unpaid compensation in the manner the **office of administrative hearings** [BOARD] determines. In any case, the employer shall pay timely compensation. In this subsection, "maximum compensation rate" means 120 percent of the average weekly wage, calculated under (d) of this section, applicable on the date of injury of the employee.

* **Sec. 71.** AS 23.30.180 is amended to read:

Sec. 23.30.180. Permanent total disability. (a) In case of total disability adjudged to be permanent, 80 percent of the injured employee's spendable weekly wages shall be paid to the employee during the continuance of the total disability **until the employee begins receiving social security, pension, or other retirement benefits**. If a permanent partial disability award has been made before a permanent total disability determination, permanent total disability benefits must be reduced by the amount of the permanent partial disability award, adjusted for inflation, in a manner determined by the board. Loss of both hands, or both arms, or both feet, or both legs, or both eyes, or of any two of them, in the absence of conclusive proof to the contrary, constitutes permanent total disability. In all other cases permanent total disability is determined in accordance with the facts. In making this determination the market for the employee's services shall be

- (1) area of residence;
- (2) area of last employment;
- (3) the state of residence; and
- (4) the State of Alaska.

(b) Failure to achieve remunerative employability [AS DEFINED IN AS 23.30.041(r)] does not, by itself, constitute permanent total disability.

* **Sec. 72.** AS 23.30.185 is amended to read:

Sec. 23.30.185. Compensation for temporary total disability. In case of disability total in character but temporary in quality, 80 percent of the injured employee's spendable weekly wages shall be paid to the employee during the continuance of the disability. Temporary total disability benefits may not be paid for any period of disability occurring after the date of medical stability **and for more**

1 **than an aggregate total of 104 weeks for each claim.**

2 * **Sec. 73.** AS 23.30.190 is amended by adding a new subsection to read:

3 (e) An employee who returns to work for the same employer in a position that
4 pays a wage equal to or greater than that paid at the time of injury is not eligible to
5 receive permanent partial impairment benefits under this section.

6 * **Sec. 74.** AS 23.30.200(b) is amended to read:

7 (b) The wage-earning capacity of an injured employee is determined by the
8 actual spendable weekly wage of the employee if the actual spendable weekly wage
9 fairly and reasonably represents the wage-earning capacity of the employee. The
10 **office of administrative hearings** [BOARD] may, in the interest of justice, fix the
11 wage-earning capacity that is reasonable, having due regard to the nature of the injury,
12 the degree of physical impairment, the usual employment, and other factors or
13 circumstances in the case that may affect the capacity of the employee to earn wages
14 in a disabled condition, including the effect of disability as it may naturally extend into
15 the future.

16 * **Sec. 75.** AS 23.30.215(d) is amended to read:

17 (d) Compensation under this chapter to aliens not residents, or about to
18 become nonresidents, of the United States or Canada is the same in amount as
19 provided for residents, except that dependents in a foreign country are limited to
20 widow or widower and child or children, or if there is no widow or widower and child
21 or children, to surviving father or mother whom the employee has supported, either
22 wholly or in part, for a period of one year before the date of injury. The **office of**
23 **administrative hearings** [BOARD], at its option, or upon the application of the
24 insurance carrier, may commute all future installments of compensation to be paid to
25 an alien dependent who is not a resident of the United States or Canada by paying or
26 causing to be paid to the alien dependent one-half of the commuted amount of the
27 future installments of compensation as determined by the **office of administrative**
28 **hearings** [BOARD].

29 * **Sec. 76.** AS 23.30.220(a) is amended to read:

30 (a) Computation of compensation under this chapter shall be on the basis of an
31 employee's spendable weekly wage at the time of injury. An employee's spendable

1 weekly wage is the employee's gross weekly earnings minus payroll tax deductions.
 2 An employee's gross weekly earnings shall be calculated as follows:

3 (1) if at the time of injury the employee's earnings are calculated by the
 4 week, the weekly amount is the employee's gross weekly earnings;

5 (2) if at the time of injury the employee's earnings are calculated by the
 6 month, the employee's gross weekly earnings are the monthly earnings multiplied by
 7 12 and divided by 52;

8 (3) if at the time of injury the employee's earnings are calculated by the
 9 year, the employee's gross weekly earnings are the yearly earnings divided by 52;

10 (4) if at the time of injury the employee's earnings are calculated by the
 11 day, by the hour, or by the output of the employee, then the employee's gross weekly
 12 earnings are 1/50 of the total wages that the employee earned from all occupations
 13 during either of the two calendar years immediately preceding the injury, whichever is
 14 most favorable to the employee;

15 (5) if at the time of injury the employee's earnings have not been fixed
 16 or cannot be ascertained, the employee's earnings for the purpose of calculating
 17 compensation are the usual wage for similar services when the services are rendered
 18 by paid employees;

19 (6) if at the time of injury the employee's earnings are calculated by the
 20 week under (1) of this subsection or by the month under (2) of this subsection and the
 21 employment is exclusively seasonal or temporary, then the gross weekly earnings are
 22 1/50 of the total wages that the employee has earned from all occupations during the
 23 12 calendar months immediately preceding the injury;

24 (7) when the employee is working under concurrent contracts with two
 25 or more employers, the employee's earnings from all employers is considered as if
 26 earned from the employer liable for compensation;

27 (8) if an employee when injured is a minor, an apprentice, or a trainee
 28 in a formalized training program, as determined by the **office of administrative**
 29 **hearings** [BOARD], whose wages under normal conditions would increase during the
 30 period of disability, the projected increase may be considered by the **office of**
 31 **administrative hearings** [BOARD] in computing the gross weekly earnings of the

employee; if the minor, apprentice, or trainee would have likely continued that training program, then the compensation shall be the average weekly wage at the time of injury rather than that based on the individual's prior earnings;

(9) if the employee is injured while performing duties as a volunteer ambulance attendant, volunteer police officer, or volunteer firefighter, then, notwithstanding (1) - (6) of this subsection, the gross weekly earnings for calculating compensation shall be the minimum gross weekly earnings paid a full-time ambulance attendant, police officer, or firefighter employed in the political subdivision where the injury occurred, or, if the political subdivision has no full-time ambulance attendants, police officers, or firefighters, at a reasonable figure previously set by the political subdivision to make this determination, but in no case may the gross weekly earnings for calculating compensation be less than the minimum wage computed on the basis of 40 hours work a [PER] week;

(10) if an employee is entitled to compensation under AS 23.30.180 and the office of administrative hearings [BOARD] determines that calculation of the employee's gross weekly earnings under (1) - (7) of this subsection does not fairly reflect the employee's earnings during the period of disability, the office of administrative hearings [BOARD] shall determine gross weekly earnings by considering the nature of the employee's work, work history, and resulting disability, but compensation calculated under this paragraph may not exceed the employee's gross weekly earnings at the time of injury.

* **Sec. 77.** AS 23.30.250(b) is amended to read:

(b) If the office of administrative hearings [BOARD], after a hearing, finds that a person has obtained compensation, medical treatment, or another benefit provided under this chapter, or that a provider has received a payment, by knowingly making a false or misleading statement or representation for the purpose of obtaining that benefit, the office of administrative hearings [BOARD] shall order that person to make full reimbursement of the cost of all benefits obtained. Upon entry of an order authorized under this subsection, the office of administrative hearings [BOARD] shall also order that person to pay all reasonable costs and attorney fees incurred by the employer and the employer's carrier in obtaining an order under this section and in

defending any claim made for benefits under this chapter. If a person fails to comply with an order of the office of administrative hearings [BOARD] requiring reimbursement of compensation and payment of costs and attorney fees, the employer may declare the person in default and proceed to collect any sum due as provided under AS 23.30.170(b) and (c).

* **Sec. 78.** AS 23.30.260(a) is amended to read:

(a) A person is guilty of a misdemeanor and, upon conviction, is punishable for each offense by a fine of not more than \$1,000 or by imprisonment for not more than one year, or by both, if the person

(1) receives a fee, other consideration, or a gratuity on account of any services rendered for representation or advice with respect to a claim, unless the consideration or gratuity is approved by the office of administrative hearings [BOARD] or the court; or

(2) makes it a business to solicit employment for a lawyer or for the person making the solicitation with respect to a claim or award for compensation.

* **Sec. 79.** AS 23.30 is amended by adding new sections to read:

Sec. 23.30.285. Group practice. (a) Notwithstanding AS 23.30.097, to qualify for reimbursement from an employer, a group practice that provides medical treatment to an employee under this chapter must comply with this section.

(b) A group practice that provides medical treatment to an employee under this chapter must be a single business entity that has at least two physicians who are members of the group, whether employees or owners. Each physician who is a member of the group practice must furnish substantially the full range of patient care services that the physician routinely furnishes, including medical care, consultation, diagnosis, and treatment, through the joint use of shared office space, facilities, equipment, and personnel.

(c) If an employee seeks medical treatment under this chapter from a group practice, at least 75 percent of the total patient care services of the group practice must be furnished by physicians who are members of the group practice and be billed under a billing number assigned to the group practice, and the amounts received must be treated as receipts of the group practice. The board shall prescribe by regulation a

1 method for measuring whether a group practice meets the requirements of this
2 subsection.

3 (d) The overhead expenses of, and income from, the group practice must be
4 distributed according to methods that are determined before the receipt of payment for
5 the services giving rise to the overhead expense or producing the income. Nothing in
6 this section prevents a group practice from adjusting its compensation methodology
7 prospectively.

8 (e) The group practice must be a unified business that has

9 (1) centralized decision-making by a body representative of the group
10 practice that maintains control over the assets and liabilities, including budgets,
11 compensation, and salaries, of the group practice; and

12 (2) consolidated billing, accounting, and financial reporting.

13 (f) A physician who is a member of the group practice may not directly or
14 indirectly receive compensation based on the volume or value of referrals, except as
15 provided in (g) of this section.

16 (g) A physician in the group practice may be paid a share of overall profits of
17 the group practice, as permitted by regulations adopted by the board, if the share is not
18 determined in any manner that is directly related to the volume or value of referrals of
19 medical treatment provided under this chapter by the physician. A physician in the
20 group practice may be paid a productivity bonus based on services personally
21 performed, services incident to the personally performed services, or both, if the bonus
22 is not determined in any manner that is directly related to the volume or value of
23 referrals of medical treatment provided under this chapter.

24 (h) In this section, "group practice" means a single legal entity operating
25 primarily for the purpose of being a physician group practice in any organizational
26 form recognized in this state, including a partnership, professional corporation, limited
27 liability company, foundation, nonprofit corporation, faculty practice plan, or similar
28 association.

29 **Sec. 23.30.290. Certain referrals prohibited.** (a) A physician who has a
30 direct or indirect financial relationship, as defined by the board by regulation, with
31 another physician, a group practice under AS 23.30.285, or other entity that furnishes

1 medical services to employees covered by this chapter, or who has an immediate
 2 family member who has a direct or indirect financial relationship with another
 3 physician, a group practice under AS 23.30.285, or other entity that furnishes medical
 4 services to employees covered by this chapter, may not make a referral to that
 5 physician, group practice, or other entity for the furnishing of medical services to
 6 employees covered by this chapter. A physician's prohibited financial relationship
 7 with an entity that furnishes medical services is not imputed to the physician's group
 8 practice under AS 23.30.285 or members or staff of the group practice, but a referral
 9 made by a physician's group practice or members or staff of the group practice may be
 10 imputed to the physician, if the physician directs the group practice or members or
 11 staff of the group practice to make the referral or if the physician controls referrals
 12 made by the group practice or members or staff of the group practice.

13 (b) An entity that furnishes medical services under a referral that is prohibited
 14 by (a) of this section may not present or cause to be presented a claim or bill under this
 15 chapter to an employer, insurer, third-party payer, or other person for the medical
 16 services performed under the prohibited referral.

17 (c) Except as provided in (e) of this section, no payment may be made for
 18 medical services furnished under a prohibited referral.

19 (d) An entity that collects payment for medical services that were performed
 20 under a prohibited referral shall refund all collected amounts on a timely basis, as
 21 prescribed by regulation by the board.

22 (e) Payment may be made to an entity that submits a claim for medical
 23 services if the

24 (1) entity did not have actual knowledge of, and did not act in reckless
 25 disregard or deliberate ignorance of, the identity of the physician who made the
 26 referral of the medical services to the entity; and

27 (2) claim otherwise complies with applicable federal and state law.

28 (f) In this section, "medical services" means

29 (1) clinical laboratory services;

30 (2) physical therapy, occupational therapy, and speech language
 31 pathology services;

- (3) radiology and other imaging services;
- (4) radiation therapy services and supplies;
- (5) durable medical equipment and supplies;
- (6) parenteral and enteral nutrients, equipment, and supplies;
- (7) prosthetics, orthotics, and prosthetic devices and supplies;
- (8) home health services;
- (9) outpatient prescription drugs; and
- (10) inpatient and outpatient hospital services.

* **Sec. 80.** AS 23.30.395(2) is amended to read:

(2) "arising out of and in the course of employment" includes employer-required or supplied travel to and from a remote job site; activities performed at the direction or under the control of the employer; and employer-sanctioned activities at employer-provided facilities **if the activities are a major contributing cause of the death, disease, or resulting condition, disability, or need for medical treatment**; but excludes recreational league activities sponsored by the employer, unless participation is required as a condition of employment, and activities of a personal nature away from employer-provided facilities;
