6 ➔Section 2. KRS 154.21-020 is amended to read as follows:

7 (1) The Kentucky Product Development Initiative of 2022 is hereby established under
8 the cabinet. The cabinet shall partner with the Kentucky Association for Economic
9 Development to administer the program. The cabinet's administration of the
10 program includes but is not limited to the following:

- 11 (a) Creating and making available a standardized grant application and regional
12 grant application;
13 (b) Adopting a standardized scoring system pursuant to KRS 154.21-040;
14 (c) Reviewing the applications and proposals submitted by the proposed grant
15 recipients;
16 (d) Verifying the eligibility of the proposed grant recipients;
17 (e) Verifying that the proposed grant recipient seeks grant money for an eligible
18 project prior to prioritizing and recommending the eligible grant recipient and
19 eligible project to the cabinet;~~and~~
20 (f) Awarding grants to selected eligible grant recipients in two (2) rounds of
21 funding; and

22 (g) No later than December 1, 2024, compiling and submitting the following
23 information, for each application received by fiscal year, related to the
24 Kentucky Product Development Initiative of 2022 to the Legislative
25 Research Commission and the Interim Joint Committee on Appropriations
26 and Revenue for fiscal year 2022-2023 and the fiscal year 2023-2024:

27 1. The name of the eligible grant recipient, a description of the eligible

1 project, and the location of each proposed project for which an
2 application was received;

3 2. The date the application was received by the cabinet or the Kentucky
4 Association for Economic Development;

5 3. The date the application was either approved or denied by the cabinet
6 or the Kentucky Association for Economic Development or whether
7 the application remains outstanding;

8 4. The prioritization of the application as determined by the Kentucky
9 Association for Economic Development and submitted to the cabinet
10 as required by KRS 154.21-030(1)(q);

11 5. All information for each applicant submitted to the cabinet by the
12 Kentucky Association for Economic Development within the annual
13 report required under KRS 154.21-030(1)(i);

14 6. The date the cabinet notified the eligible grant recipient that the
15 application was either approved or denied; and

16 7. The date the cabinet issued the warrant upon the Treasury for
17 distribution of the grant moneys.

18 (2) Upon receipt of eligible grant recipients and eligible project recommendations and
19 prioritization from the Kentucky Association for Economic Development and the
20 third-party independent site selection consultant, the cabinet shall verify and
21 process the eligible grant recipients and eligible project recommendations with the
22 intent to approve and award grants matching the selected grant recipient's
23 contribution to its eligible project on a dollar-for-dollar basis, under the economic
24 development fund program pursuant to KRS 154.12-100.

25 (3) (a) Prior to the first round of grant awards, the cabinet shall allocate a percentage
26 of the total funds appropriated to this program by the General Assembly to
27 each county in the Commonwealth. When awarding grants in the first round

1 of funding, the cabinet shall not award grants to an eligible grant recipient or a
2 group of eligible grant recipients in excess of the amount allocated to the
3 county in which it or they are located, except when pooled pursuant to
4 subsection (4) of this section. The allocation shall be made according to the
5 following calculations:

- 6 1. For all counties except Jefferson County, the percentage of the fund
7 each county is eligible to receive shall be determined by each county's
8 proportion of the state's population based on the most recent federal
9 decennial census;
- 10 2. For Jefferson County, the percentage of the fund it shall be eligible to
11 receive shall be determined by the county's proportion of the state's
12 population based on the most recent federal decennial census, which
13 shall be discounted by fifty percent (50%); and
- 14 3. The maximum funding available for an approved development project is
15 two million dollars (\$2,000,000) per county except as permitted by
16 subsection (4) of this section.

17 (b) If there are funds available after the first round of grant awards, the cabinet
18 shall initiate a second round of grant awards through the Kentucky Product
19 Development Initiative. Any remaining funds available for program use shall
20 be pooled and available to eligible grant recipients from all counties on a first-
21 come, first-served basis, but each county's eligible allocation shall not exceed
22 two million dollars (\$2,000,000) except as permitted by subsection (4) of this
23 section.

24 (4) For selected eligible grant recipients that are involved in a regional project, the
25 cabinet may pool the potential allocation of funds available for each county
26 represented by the eligible grant recipients for the grant amount awarded. For
27 example, if a county that is eligible for up to ten percent (10%) of the program

1 funds based on the calculations in subsection (3) of this section partners with a
2 county that is eligible for five percent (5%) of the program funds based on the
3 calculations in subsection (3) of this section, then the total allocation for the
4 regional project that the cabinet may award is fifteen percent (15%).

5 (5) Grant applicants that have received discretionary mega-development project
6 funding shall be disqualified from participation in the Kentucky Product
7 Development Initiative.

8 **(6) The Kentucky Product Development Initiative of 2022 shall be active only for the**
9 **fiscal year 2022-2023 and fiscal year 2023-2024.**
