BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3902.30, 4723.94, 4731.2910, 11
4732.33, and 5164.95 be amended; section 4731.2910 (4743.09) be 12
amended for the purpose of adopting a new section number as 13
indicated in parentheses; and sections 3701.1310, 3721.60, 14

4725.35, 4729.284, 4730.60, 4731.741, 4734.60, 4753.20, 4755.90,
4757.50, 4758.80, 4759.20, 4761.30, 4778.30, and 5119.368 of the
Revised Code be enacted to read as follows:

Sec. 3701.1310. During any declared disaster, epidemic,
pandemic, public health emergency, or public safety emergency,
an individual with a developmental disability or any other
permanent disability who is in need of surgery or any other
health care procedure, any medical or other health care test, or
any clinical care visit shall be given the opportunity to have
at least one parent or legal guardian present if the presence of
the individual's parent or legal guardian is necessary to
alleviate any negative reaction that may be experienced by the
individual who is the patient.

The director of health may take any action necessary to
enforce this section.

Sec. 3721.60. (A) As used in this section, "long-term care
facility" means all of the following:

(1) A home, as defined in section 3721.10 of the Revised
Code;

(2) A residential facility licensed by the department of
mental health and addiction services under section 5119.34 of
the Revised Code;

(3) A residential facility licensed by the department of
developmental disabilities under section 5123.19 of the Revised
Code;

(4) A facility operated by a hospice care program licensed
by the department of health under Chapter 3712. of the Revised
Code that is used exclusively for care of hospice patients or
any other facility in which a hospice care program provides care

for hospice patients.

(B) During any declared disaster, epidemic, pandemic,
public health emergency, or public safety emergency, each long-
term care facility shall provide residents and their families
with a video-conference visitation option if the governor, the
director of health, other government official or entity, or the
long-term care facility determines that allowing in-person
visits at the facility would create a risk to the health of the
residents.

Sec. 3902.30. (A) As used in this section:

(1) "Cost sharing" means the cost to a covered individual
under a health benefit plan according to any coverage limit,
copayment, coinsurance, deductible, or other out-of-pocket
expense requirements imposed by the plan.

from that provider on any prior occasion.

(iii) The communication is conducted for the purposes of
preventive health care services only.

(b) If a communication described in division (D) (2) (a) of
this section is coded based on time, then only the time the
health care professional spends engaged in the communication is
billable.

(E) This section shall not be construed as doing any of
the following:

~~(1) Prohibiting a health benefit plan from assessing cost-
sharing requirements to a covered individual for telemedicine
services, provided that such cost-sharing requirements for
telemedicine services are not greater than those for comparable
in-person health care services;~~

~~(2)~~ Requiring a health plan issuer to reimburse a health
care professional for any costs or fees associated with the
provision of ~~telemedicine~~ telehealth services that would be in
addition to or greater than the standard reimbursement for

comparable in-person health care services; 129

~~(3) (2) Requiring a health plan issuer to reimburse a 130~~
~~telemedicine telehealth provider for telemedicine telehealth 131~~
~~services at the same rate as in-person services. 132~~

~~(E) This section applies to all health benefit plans 133~~
~~issued, offered, or renewed on or after January 1, 2021.; 134~~

(3) Requiring a health plan issuer to provide coverage for 135
asynchronous communication that differs from the coverage 136
described in the applicable health benefit plan. 137

(F) The superintendent of insurance may adopt rules in 138
accordance with Chapter 119. of the Revised Code as necessary to 139
carry out the requirements of this section. Any such rules are 140
not subject to the requirements of division (F) of section 141
121.95 of the Revised Code. 142

<u>(C) With respect to the provision of telehealth services, all of the following apply:</u>	264 265

(1) A health care professional may use synchronous or 266
asynchronous technology to provide telehealth services to a 267
patient during an initial visit if the appropriate standard of 268
care for an initial visit is satisfied. 269

(2) A health care professional may deny a patient 270
telehealth services and, instead, require the patient to undergo 271
an in-person visit. 272

(3) When providing telehealth services in accordance with 273
this section, a health care professional shall comply with all 274
requirements under state and federal law regarding the 275
protection of patient information. A health care professional 276
shall ensure that any username or password information and any 277
electronic communications between the professional and a patient 278
are securely transmitted and stored. 279

(4) A health care professional may use synchronous or 280
asynchronous technology to provide telehealth services to a 281
patient during an annual visit if the appropriate standard of 282
care for an annual visit is satisfied. 283

(5) In the case of a health care professional who is a 284
physician, physician assistant, or advanced practice registered 285

services in accordance with section 4743.09 of the Revised Code. 345

Sec. 5119.368. (A) As used in this section, "telehealth 346
services" has the same meaning as in section 4743.09 of the 347
Revised Code. 348

(B) Each community mental health services provider and 349
community addiction services provider shall establish written 350
policies and procedures describing how the provider will ensure 351

that staff persons assisting clients with receiving telehealth 352
services or providing telehealth services are fully trained in 353
using equipment necessary for providing the services. 354

(C) Prior to providing telehealth services to a client, a 355
provider shall describe to the client the potential risks 356
associated with receiving treatment through telehealth services 357
and shall document that the client was provided with the risks 358
and agreed to assume those risks. The risks communicated to a 359
client shall address the following: 360

(1) Clinical aspects of receiving treatment through 361
telehealth services; 362

(2) Security considerations when receiving treatment 363
through telehealth services; 364

(3) Confidentiality for individual and group counseling. 365

(D) It is the responsibility of the provider, to the 366
extent possible, to ensure contractually that any entity or 367
individuals involved in the transmission of information through 368
telehealth mechanisms guarantee that the confidentiality of the 369
information is protected. 370

(E) Every provider shall have a contingency plan for 371
providing telehealth services to clients in the event that 372
technical problems occur during the provision of those services. 373

(F) Providers shall maintain, at a minimum, the following 374
information pertaining to local resources: 375

(1) The local suicide prevention telephone hotline, if 376
available, or the national suicide prevention telephone hotline. 377

(2) Contact information for the local police and fire 378
departments. 379

The provider shall provide the client written information 380
on how to access assistance in a crisis, including one caused by 381
equipment malfunction or failure. 382

(G) It is the responsibility of the provider to ensure 383
that equipment meets standards sufficient to do the following: 384

(1) To the extent possible, ensure confidentiality of 385
communication; 386

(2) Provide for interactive communication between the 387
provider and the client; 388

(3) When providing telehealth services using synchronous 389
technology, ensure that video or audio are sufficient to enable 390
real-time interaction between the client and the provider and to 391
ensure the quality of the service provided. 392

(H) A mental health facility or unit that is serving as a 393
client site shall be maintained in such a manner that 394
appropriate staff persons are on hand at the facility or unit in 395
the event of a malfunction with the equipment used to provide 396
telehealth services. 397

(I) (1) All telehealth services provided by interactive 398
videoconferencing shall meet both of the following conditions: 399

(a) Begin with the verification of the client through a 400
name and password or personal identification number when 401
treatment services are being provided; 402

(b) Be provided in accordance with state and federal law. 403

(2) When providing telehealth services in accordance with 404
this section, a provider shall comply with all requirements 405
under state and federal law regarding the protection of patient 406
information. Each provider shall ensure that any username or 407

password information and any electronic communications between 408
the provider and a client are securely transmitted and stored. 409

(J) The department of mental health and addiction services 410
may adopt rules as it considers necessary to implement this 411
section. The rules shall be adopted in accordance with Chapter 412
119. of the Revised Code. Any such rules are not subject to the 413
requirements of division (F) of section 121.95 of the Revised 414
Code. 415

Sec. 5164.95. (A) As used in this section, "telehealth 416
service" means a health care service delivered to a patient 417
through the use of interactive audio, video, or other 418
telecommunications or electronic technology from a site other 419
than the site where the patient is located. 420

(B) The department of medicaid shall establish standards 421
for medicaid payments for health care services the department 422
determines are appropriate to be covered by the medicaid program 423
when provided as telehealth services. The standards shall be 424
established in rules adopted under section 5164.02 of the 425
Revised Code. 426

In accordance with section 5162.021 of the Revised Code, 427
the medicaid director shall adopt rules authorizing the 428
directors of other state agencies to adopt rules regarding the 429
medicaid coverage of telehealth services under programs 430
administered by the other state agencies. Any such rules adopted 431
by the medicaid director or the directors of other state 432
agencies are not subject to the requirements of division (F) of 433
section 121.95 of the Revised Code. 434

(C) (1) The following practitioners are eligible to provide 435
telehealth services covered pursuant to this section: 436
