- 13 (a) the lot has not been used for the purposes of interment for 75 years or more; and
14 (b) the cemetery administrator has had no contact with the owner or the owner's heirs for 75 years
15 or more.

16 (2) An individual may petition the cemetery administrator for a finding of abandonment. The
17 petition must include:

- 18 (a) the full name, address, and contact information for the petitioner;
19 (b) a description of the lot that the petitioner believes to be abandoned;
20 (c) a statement that the petitioner has diligently attempted to find the owner, heirs, or assignees of
21 the lot, including a description of the efforts undertaken;
22 (d) a request that the cemetery administrator determine that the lot is abandoned;
23 (e) a request that the petitioner be allowed to purchase the lot on a finding of abandonment;
24 (f) if the petition is for a plot containing multiple lots, the name and date of death of the last
25 individual buried in the plot; and
26 (g) an affirmation of the truth of the statements in the petition, which includes the language found
27 in 1-6-105 or a notarized oath.

28 (3) On receipt of a petition, the cemetery administrator shall publish a notice or order the petitioner

1 to publish a notice once a week for 3 successive weeks in a newspaper published in the county in which the
2 cemetery is located or, if no newspaper is published in that county, then in a newspaper published in an
3 adjoining county that has a general circulation. The notice must include:

4 (a) a statement that there has been a petition to determine that a certain lot has been abandoned
5 in the specified cemetery;

6 (b) a reasonable description of where the specified lot is located;

12 (f) a phone number and address for the cemetery administrator.

13 (4) The petitioner shall provide an affidavit of publication to the cemetery administrator after the
14 last date of publication of the notice. If publication was enacted by the cemetery administrator, then the
15 cemetery administrator shall execute an affidavit of publication.

16 (5) If no owner, heir, or assignee has contacted the cemetery administrator to claim the lot after
17 receipt and execution of the affidavit of publication, the lot must be considered legally abandoned. The
18 cemetery administrator shall approve the petition submitted pursuant to subsection (2) and set a price for the
19 petitioner to purchase the lot. A copy of the instrument of conveyance must be filed in the office of the county
20 clerk and recorder for the county in which a majority of the cemetery is located.

21 (6) If an owner, heir, or assignee contacts the cemetery administrator to claim the lot, the cemetery

26 determined contain buried human remains, even if there is no cemetery lot marker.
