BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Accessory dwelling units -- regulations -- restrictions. (1) (a) In jurisdictional areas where the board of county commissioners has established zoning regulations under this part, the regulations must allow a minimum of one accessory dwelling unit by right on a lot or parcel that contains a single-family dwelling.

(b) An accessory dwelling unit may be attached, detached, or internal to the single-family dwelling on a lot or parcel.

~~(c) If the accessory dwelling unit is detached from or attached to the single-family dwelling, it may not be more than 75% of the gross floor area of the single-family dwelling or 1,000 square feet, whichever is less.~~

(2) A county may not:

~~(a) require that a lot or parcel have additional parking to accommodate an accessory dwelling unit or require fees in lieu of additional parking;~~

~~(b)(a)~~ require that an accessory dwelling unit match the exterior design, roof pitch, or finishing materials of the single-family dwelling;

~~(c)(b)~~ require that the single-family dwelling or the accessory dwelling unit be occupied by the owner;

~~(d)(c)~~ require a familial, marital, or employment relationship between the occupants of the single-

family dwelling and the occupants of the accessory dwelling unit;

~~(e)~~(d) assess impact fees on the construction of an accessory dwelling unit;

~~(f)~~(e) require improvements to public streets as a condition of permitting an accessory dwelling unit, except as necessary to reconstruct or repair a public street that is disturbed as a result of the construction of the accessory dwelling unit;

(5) A county that has not adopted or amended regulations pursuant to this section by [the effective date of this act] shall review and permit accessory dwelling units in accordance with the requirements of this section until regulations are adopted or amended. Regulations in effect on or after [the effective date of this act], that apply to accessory dwelling units and do not comply with this section are void.
